READ THE TEXT THEN ANSWER THE QUESTIONS

Last week, Mrs William drove her son Alex to the mall for shopping. There, she found a lovely dress at a good price. She went to the fitting room to try it on and asked Alex to wait for her. But Alex left the shop. Mrs William was scared. She couldn't find him.

Later, Alex returned and apologized to his mother. He explained that he went to the toyshop to see the skateboard he wished to buy. His mother advised him not to go anywhere alone next time.

Then, Alex went to the funzone to play and Mrs William had coffee with some friends. Looking from the window, she saw Alex watching a kid playing with his skateboard. "It will be his next birthday gift," she said.
